

Regeneration review - where are we now?

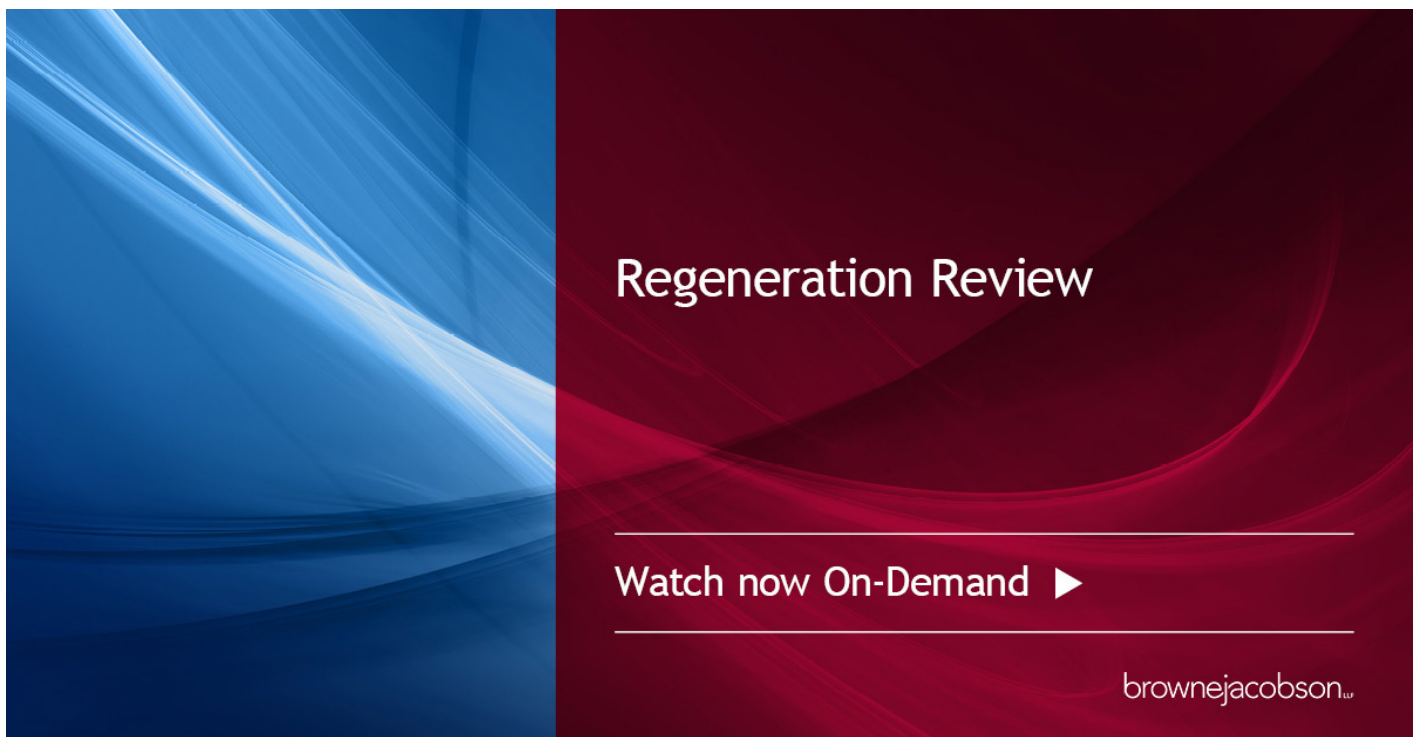

📅 21 May 2021

This online event took place on 19 May 2021 and is now available on-demand.

The content in this recording was correct as of the original webinar date.

Catch up on our on-demand video, where we look at four keys areas of regeneration:

- **Public Law:** The implications for public funding of regeneration projects following the switch from the EU state aid regime to the UK's subsidy control regime
- **Planning:** Commercial-to-residential development – Impact of the new Use Class Order and Permitted Development rights on city centre regeneration
- **Construction:** Covid-19 related development claims - Issues to consider if faced with a claim from a contractor for an extension of time and/or payment of loss and expense due to Covid-19 related issues
- **Real Estate round-up:** significant real estate developments affecting regeneration over the last 12 months....and future changes
