

# Perils: Property insurance claims newsletter - May 2023

09 May 2023

Welcome to the May 2023 edition of 'Perils', a digest of cases, news and information specifically for those working in the property insurance claims sector.

In this edition we look at some recent and ongoing cases involving the expanding considerations in the area of nuisance, the key issues involving BI adjustments and a good old-fashioned fire claim policy challenge.

As ever, if you would like to discuss any of the matters below, or have any ad hoc queries, don't hesitate to get in touch with our Property Insurance Claims Team.

You can also access more useful information in our [Insurance Insights 2023 publication](#).

## Where to find us

Over the next few weeks we will be attending the following events if you would like to catch up with us:

- 9 May 2023 - PICG Women in Insurance Reception 2023
