07 April 2025

This webinar took place on 7 April 2025 and is now available on-demand.

Are you and your team prepared for a serious incident? Do you know what your priorities are, and how they can conflict?

Carl May-Smith, Partner, Laura Chinyere-Ezeh, HR Consultant and Helen Badger, Partner, focus on the regulatory and employment aspects and duties surrounding a critical incident.

Carl May-Smith guides you through how to best respond to the CQC and other regulators, whilst Laura Chinyere-Ezeh and Helen Badger explore the legal position for the different types of workers involved in the incident, including bank, agency and directly employed staff.

They also discuss how a crisis can drive a positive culture and where there can be conflicts.
