

ICS Forum webinar series: What's new for ICSs?

Presented by Gerard Hanratty, this on-demand webinar looks into the key new functions for Integrated Care Systems under the new Health & Care Act 2022. It provides a useful update on what is new, how it may be interpreted and what issues may arise.

11 July 2022

This webinar took place on Wednesday 6 July 2022 and is now available on-demand.

Please register to watch the webinar or click "already registered" if you've registered on this platform previously.

We are pleased to invite you to join us for our latest series of ICS Forum webinars.

Presented by Gerard Hanratty, this on-demand webinar looks into the key new functions for Integrated Care Systems under the new Health & Care Act 2022. It provides a useful update on what is new, how it may be interpreted and what issues may arise.

We have aimed to answer lots of questions in this on-demand webinar, however, if any of your questions have not been answered or you require further detail - please do not hesitate to use the contact details on the webinar console to get in touch with our experts.

A promotional banner for the webinar. The left side features a close-up, macro shot of a green and blue perforated fabric. The right side is a solid dark red background. In the top right corner of the red area, the 'brownejacobson' logo is displayed in white. The main title 'ICS Forum Webinar Series: What's new for ICSs?' is centered in white text. At the bottom right, the text 'Watch on-demand' is followed by a white right-pointing triangle icon.
