

Shared Insights: Coroner's question time

25 June 2024

The session was chaired by Nicola Evans, Partner at Browne Jacobson. We were delighted to be joined by a panel of extremely experienced Coroners who shared their insights with over 150 senior leaders and professionals drawn from the health and care sector across England and Wales.

We covered a range of topics including a back to basics reminder of when and why a death is referred to the Coroner and the processes followed by the Coroner when a death is referred, including what happens at inquest.

Before taking questions, the Panel also considered the Coroner's duties under Regulation 28, what organisations can do to assist the Coroner when considering whether the duty arises and what evidence the Coroner is looking for from organisations regarding organisational learning.
