

Practical advice on resetting your ICS

Topics covered are a view from an ICS Chair on reset, initial lessons to consider, a new way to govern, models to work collaboratively and a Q&A.

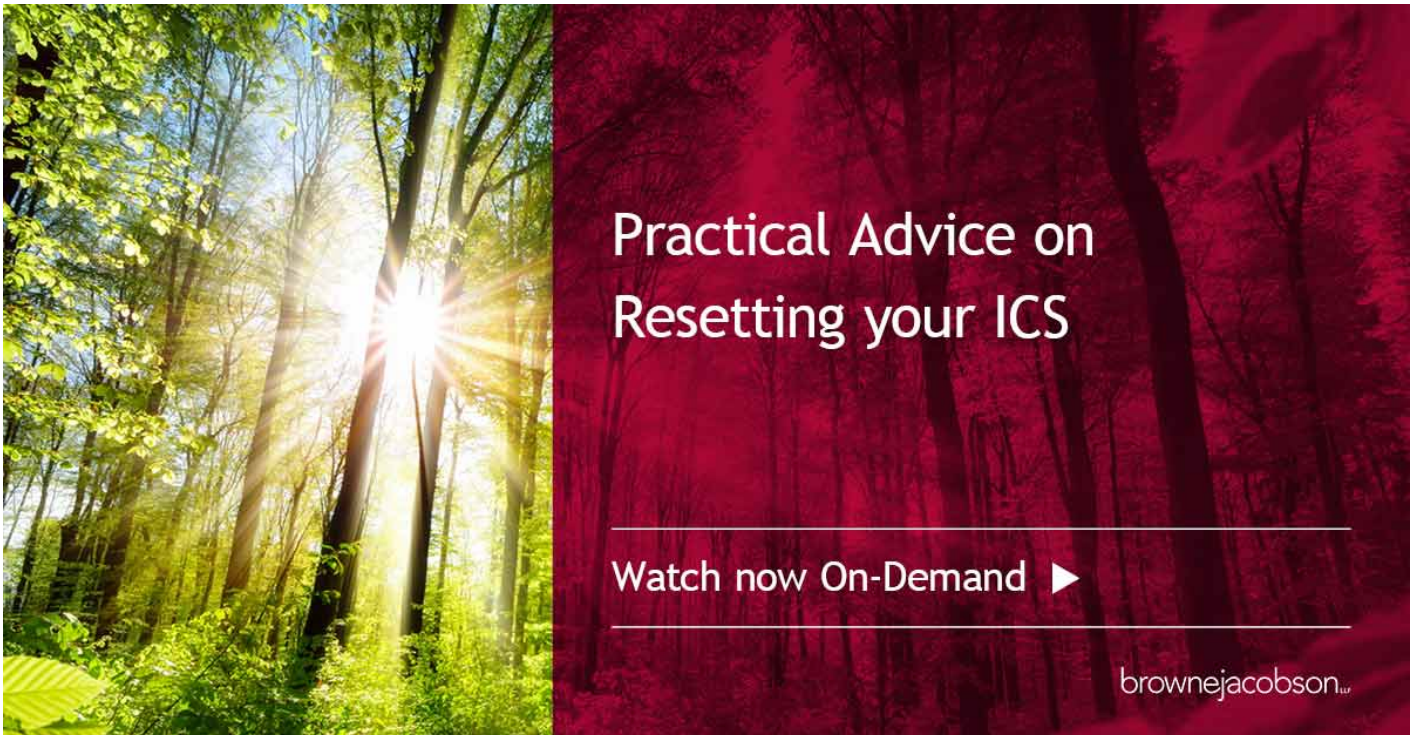

05 June 2020

This webinar took place on the 4th June and is now available on-demand.

Following on from our previous webinar on the topic of '[Integrated care - system reset](#)', we hosted a webinar alongside GE Healthcare Partners and Good Governance Institute on 'Practical Advice on Resetting your ICS' on Thursday 4 June 2020.

Topics and speakers were:

- Introduction & Chair – Gerard Hanratty, Head of Health, Browne Jacobson
- View from an ICS Chair on Reset – Sir Neil McKay, Strategic Consultant for Browne Jacobson
- Initial lessons to consider – Max Jones, Director, GE Healthcare Partners
- A new way to govern – Andrew Corbett-Nolan, Chief Executive, Good Governance Institute
- Models to work collaboratively – Christian Dingwall, Partner, Browne Jacobson
- Q&A and close – All
