# Food for Thought: Food and drink regulatory update - Summer 2024

02 July 2024 A Sam Sharp

# We are pleased to share the Summer edition of our <u>quarterly regulatory update</u>, prepared by our specialist <u>food</u> and drink team.

The food and drink industry continues to be subject to an ever changing regulatory landscape and staying on top of changes can prove difficult. This update contains key messages from the party manifestos, reforms to the Novel Food Regulations and the updated rules for marketing 'No and Low Alcohol Drinks' as well as wine reforms.

Feel free to contact one of our experts about any of the subjects mentioned in our update or generally about other matters; our contact details are below. We also welcome and value feedback on the content of the update or if there are any areas you would like us to cover so we can ensure these updates are useful to you and your business.

All the best,

The food and drink sector team
