Taylor recently qualified into the Commercial Health team at Browne Jacobson LLP, having undertaken her training contract at the firm.

With experience across commercial, corporate, public health law and real estate, Taylor has worked on a wide range of commercial, private and public matters across the health sector, including for the NHS, independent healthcare providers, social care organisations, life sciences companies, primary care providers, and suppliers to the healthcare market.

Taylor's legal focus includes advising on all commercial and contractual issues across the sector as well as governance and with a specialism in healthcare data protection such as data breaches, privacy notices, international data transfers, and data subject access requests.
