

Nigel Wood

Legal Director

 Manchester

nigel.wood@brownejacobson.com

+44 (0)3300451069

Nigel specialises in clinical negligence defence work and has a keen focus on resolving claims. He has represented NHS Resolution, NHS Trusts, defence organisations and other private insurers for approximately 15 years. He has also represented clinicians who are without insurance or indemnity during this time.

Nigel has a wide range of experience, dealing with high value cases involving amputations, blindness, brain injury and birth injury, amongst others. He also has over ten years' experience representing dentists.

Nigel often provides training sessions to clients, lawyers and clinicians. He is keen to understand his client's viewpoint and has been endorsed by clients on several occasions, as outlined by the published endorsements below.

Expertise

Clinical negligence

Dispute resolution and litigation

Health law

Insurance claims defence

Testimonials

"Nigel Wood is a massive addition to the team. He is a titan in the Manchester clinical negligence community."
