With 10 years' experience in the education sector, Charlotte has recently joined Browne Jacobson LLP to head-up our London-based education practice.

Charlotte specialises in advising maintained schools, academies, multi-academy trusts and their sponsors on an array of legal matters, including collaborative structures, re-brokerages, governance, data protection, admissions, exclusions and special educational needs issues.

Charlotte is ranked by Chambers and Partners as a notable practitioner and has advised on over 300 academy conversions and 60 free schools to date.

Featured experience

Community interest company

Acting for a community interest company in the purchase of a vacant residential nursing care home for use as a 'step down' care facility to deliver healthcare services. The work included reviewing and reporting on title and raising commercial property searches and enquiries, and negotiating the contract and transfer.

"Charlotte is an excellent legal representative for our organisation."
