

Alys Bratch

Associate

alys.bratch@brownejacobson.com

+44 (0)3304564426

Alys is an Associate in the Corporate Team and has experience on Corporate M&A and Private Equity sponsors on a range of transactions, both domestic and international and across multiple sectors.

Alys works closely with private equity sponsors from the original buy-out and bolt-on acquisitions through to an exit, as well as advising on day to day corporate matters for the firm's key private equity clients. Alys also has experience advising management teams in relation to incoming private equity investments and re-investments.

Featured experience

NTT Data

Advised NTT Data Business Solutions AG on its acquisition of Sapphire, a UK based international provider of digital operations software and services.

TAG

Advised Apiary Capital on its disposal and re-investment in The Appointment Group Limited to ECI.

Water Babies Group Limited

Advised the management team and shareholders on the buy-out of Water Babies Group Limited to US private equity backed Elmsley Capital and Westerly Group.
