Louise acts for both public and private sector clients on a broad range of real estate and development matters. She regularly leads on commercial sales, acquisitions and lettings (including carrying out property due diligence) and also has experience in working on property investment and residential development schemes.

Louise's experience has included advising on complex title matters relating to the acquisition of multiple development sites. She has also advised on wider high street and shopping centre acquisitions, and has acted on a variety of leisure facility outsourcing projects for local authorities.

Louise acts for local authorities on multiple landlord and tenant matters and property management as part of their property portfolios such as grant of new leases, renewal leases, assignments, licences, and deeds of variation and surrender.

Louise's experience to date of acting for various different clients with a national reach enables her to be able to approach property transactions in a commercial and pragmatic way.
